

WACONIA CHAMBER of COMMERCE
28th Annual Nickle Dickle Medallion Hunt
Nickle Dickle Day | September 17, 2022
Street Dance | September 16, 2022

The 28th annual Chamber of Commerce Nickle Dickle Medallion hunt begins September 1 with Clue No. 1. The medallion will be located on public property. Everyone is encouraged to follow along with the weekly clues that will be published in the Waconia Patriot.

You are looking for a wooden medallion inside a red bag. The person who finds it will be entitled to a \$200 prize provided by Cabinetworks Group formerly Medallion Cabinetry, as well as a championship plaque. If you believe you have found the medallion, contact the Chamber of Commerce office at (952) 442-5812. If a winner is announced prior to Nickle Dickle Day, it will be published in the paper, on the paper's website at www.waconiapatriot.com and on the Waconia Chamber of Commerce Facebook page.

The medallion will be hidden on or above the ground to a height not to exceed more than six feet. It will be on public ground, either city, school or county within the city limits of Waconia.

If nobody has found the medallion by September 17, a final clue will be posted at the gazebo at City Square Park at 9AM that day. The winner will be presented with a check and plaque at 12:15PM on Nickle Dickle Day.
